# About Us

We are a dynamic group of companies with vested interest in various fields in the Democratic Republic of Congo, South Africa, Zambia and the continent. With a compound years of experience from our diverse staff and team members, we stand strong to cover just about every domain of expertise and thus positioning ourselves as your viable company to usher you into the African market and guarantee your interest.

**With a footprint in the DRC, Zambia and South Africa, we have the tools, the means and are equipped to be your partner of choice when it comes to venturing in the continent.**

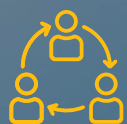

## Our Vision

Global Dynamic & Innovative Solutions (GDIS) is a group of registered companies established in the DRC, Zambia and South Africa with the aim of providing our clients and industries with Dynamic and Strategic Innovative Solutions to solve various problems in the mining, environment and technology industries.

## Our Mission

Our mission is to provide our clients with strategic dynamic and innovative sustainable solutions that adds value to their business and helps them achieve their goals.

## Our Values

Our values are at the core of our daily business, defining the way we work together, with our clients and partners.

- RESPECT
- INTEGRITY
- CLIENT FIRST
- COLLABORATION
- LEARNING
- EXCELLENCE
